

SLO Hotline's 29th Annual

ROCK 'N BOWL-A-THON

Presented by Transitions Mental Health Association

2010

Dear Bowl-A-Thon Team Captain:

SLO Hotline's 29th annual Bowl-A-Thon will be held this year in April and May. We're counting on you to join in the fun by bringing a team of your own to compete at Paso Robles, Pismo and Santa Maria Bowls. Behind the scenes our volunteers, generous donors and sponsors will be back to make this a rockin' event. If you are a returning team captain, we thank you for your past Bowl-A-Thon support! If you're new, we are glad you're here!

Last year, over 26,000 calls were made to 211 SLO Hotline by people in need of vital social service resources. Of those calls, one-third were crisis and support related, handled by trained volunteers available 24 hours a day, seven days a week. Without a doubt, 211 SLO Hotline has provided a critical service to our community. **It has been a particularly precious resource to those that Transitions-Mental Health Association (TMHA) serves: our friends and family who have a mental illness.**

TMHA now operates SLO Hotline 800-549-4499. SLO Hotline will be staffed by volunteers and employees 24 hours a day, seven days a week. It remains the only free service of its kind in the area providing suicide prevention, emotional and mental health support. All callers will continue to benefit from this confidential service, 24 hours of every day.

Bowl-A-Thon is an opportunity to help in this community service, and I encourage you to participate this year! Sponsor information and a checklist of opportunities are enclosed.

Thank you in advance for your contribution to SLO Hotline's Bowl-A-Thon and to the mental health of our community. We are very excited to see you bowl again this year.
