Journey of Hope

Friday, Feb. 26, Government Center Board of Supervisors Chambers, 1055 Monterey Street, San Luis Obispo

The Peer Advisory & Advocacy Team and Family Services of Transitions-Mental Health Association (TMHA) are pleased to invite your organization to host an information table at "Journey of Hope," an inspiring and educational mental wellness forum to be held Friday, February 26, at the chambers of the SLO County Board of Supervisors.

Attendees will view "The Shaken Tree: Families Living with Mental Illness," an award-winning documentary featuring stories from local families about life with someone who has a mental illness. For more information about the documentary, visit www.t-mha.org.

The forum's keynote speaker, Kevin Hines, is an internationally-recognized presenter who has spoken to over a quarter of a million people about his first-hand experience with suicidal thoughts and his eventual attempt to end his life by jumping off of the Golden Gate Bridge. One of only 29 Golden Gate Bridge survivors, Kevin is now actively spreading the message of suicide prevention and living mentally well. To learn more about Kevin, go to www.kevinhinesstory.com.
